Greetings,

We are very excited to start Cross Country for our PCA Panther Athletic team. Practice will begin on the second day of school, Thursday August 15 from 3:00-4:30. All practices will be announced. Please bring a t-shirt, shorts, good running shoes and a water bottle for practice.

Cross country will be a course of one mile and a half. The schedule will be completed the first week of school.

Every runner will be issued a uniform and will be responsible to return it in the same condition as received. **All uniforms should be washed inside out on the delicate cycle, please.**

The cost to participate in cross country is \$100.00.

All communications will be on WhatsApp. Please download and look for messages regarding cross country practices and meets.

Thank you,
